INDUSTRY ASSOCIATION / MEMBERSHIPS

- Member; Welding Technology Institute of Australia. (WTIA).
- Member American Welding Society (AWS).
- WTIA; National Qualification & Certification Board Member.
- Australian Pipeline Industry Association (APIA)
- Australian Stainless Steel Development Association. (ASSDA)
- Standards Australia panel member.

TECHNICAL PAPERS PRESENTED / PUBLISHED / CO-AUTHORED.

Article Title; "Superheater Vessels for Loy Yang Power Station".
Publication; Australian Welding Journal. Third quarter 1991.
Author: David Wilton.
Technical assistance; Welding Engineer, Neville Cornish.

Article Title; "Case Studies in Welding Quenched & Tempered Steels".
Publication; Australian Welding Journal. Volume 41. First quarter 1996.
Author: Neville Cornish.

Paper / presentation Title; "Productive Welding of Fabricated Girders".
Berri Bridge Construction.
Venue; PRODUCTIVITY 97 at the AIEE Melbourne May 1997.
Author / Presenter : Neville Cornish.

Article Title; "Welding in Primary Industries".
Publication; Australian Welding Journal. Volume 42. Third quarter 1997.
Author; Neville Cornish.

Article Title; "Hydrogen Assisted Cold Cracking".
Publication; Australian Welding Journal. 1999, October edition.
Author : Neville Cornish.
